

October 23-26, 2026
Anhui University, China

9th ICPEA 2026

2026 The 9th International Conference on POWER AND ENERGY APPLICATIONS

Awards

- | | |
|--------------------------|--------------------------------|
| Young Scientist Award | Best Reviewer Award |
| Best Paper Award | Best Presentation Award |
| Best Student Paper Award | Best Organization Award |
| Best Poster Award | Outstanding Contribution Award |

TOPICS

Power electronics and converters
Power Converters Topologies and Design
Advanced power converter topologies
Devices, Packaging and System Integration
Passive components
Active components
Power Electronics Devices and Converters
High voltage DC power supplies
Low voltage DC power supplies
Power converters for electric vehicles
Contactless power supply

Renewable energy systems
Wind energy systems
Solar energy systems
Advanced renewable energy systems
Renewable Energy Power Systems

Electrical machines and drives
Electrical Machines and Drive Systems
Motion control, robotics, special drives
Electric propulsion systems for electric vehicles
Electrical Machines

Power electronics applications
Power electronics in automotive applications
Power electronics in aircraft and spacecraft applications
Power electronics in railway applications
Power electronics in renewable energy systems
Power electronics in grid-connected systems
Power electronics in off-grid and standalone systems
Power electronics in energy storage systems
Power electronics in smart homes and buildings
Power electronics in industrial applications
Electronic ballasts and solid-state lighting

Control and management
Application of control methods to electrical systems
Estimation and identification methods
Measurements techniques
Measurement and Control
Fault coordination and protection of DC grids
Power factor correction techniques
Power quality issues

Organizing Committee

Conference Chairs

Shichuan Ding, Anhui University, China, Chair of IEEE PES Hefei Chapter
Dong Liu, Shanghai Jiao Tong University, China
Yining Zhang, Secretary General of IEEE PCCC

Conference Co-Chairs

Yutian Liu, Shandong University, China, Chair of IEEE PES Jinan Chapter
Yunfei Mu, Tianjin University, China
Haochun Zhang, Harbin Institute of Technology, China
Jun Tao, Anhui University, China
Hongbin Wu, Hefei University of Technology, China

Program Chairs

Canbing Li, Shanghai Jiao Tong University, China, IEEE PES Governing Board Member
Qingsong Wang, University of Science and Technology of China, China, Vice Chair of IEEE PES Hefei Chapter
Hartmut Hinz, Frankfurt University of Applied Sciences, Germany
Miao Yu, Zhejiang University, China
Yinghao Ma, Hefei University of Technology, China
Ye He, Hefei University of Technology, China

Regional Chairs

Yang Fu, Shanghai University of Electric Power, China, Chair of IEEE PES Shanghai Chapter
Yi Tang, Southeast University, China, Chair of IEEE PES Nanjing Chapter
Yutao Qiu, Chief Expert of State Grid, China, Chair of IEEE PES Hangzhou Chapter
Bin Xu, State Grid Anhui Electric Power Research Institute, China, Secretary General of IEEE PES Hefei Chapter

Program Committee Members

Kei Eguchi, Fukuoka Institute of Technology, Japan, IEEE Senior Member
Philip W. T. Pong, New Jersey Institute of Technology, USA
Zhaohao Ding, North China Electric Power University, China
Jun Jiang, Nanjing University of Aeronautics and Astronautics, China
Yang Lei, Anhui University, China, Chair of Young Committee, IEEE PES Hefei Chapter

Academic Committee

Hongying He, Hunan University, China
Youpeng Huangfu, Xi'an Jiaotong University, China
Shuli Wen, Shanghai Jiao Tong University, China
Yuhao Liu, Fuzhou University, China
Changxu Jiang, Fuzhou University, China
Yucui Wang, North China Electric Power University, China
Mingze Zhang, Harbin University of Science and Technology, China
Lefei Ge, Northwestern Polytechnical University, China

Publicity Chairs

Muhammad Junaid, China University of Mining and Technology, China, IEEE Senior Member
Yao Zhao, Shanghai Jiao Tong University, China
Wenlong Ming, Cardiff University, United Kingdom
Guanyu Piao, Shanghai University, China
Fating Yuan, China Three Gorges University, China
Ziyu Chen, South China University of Technology, China
Chengcheng Liu, Hebei University of Technology, China
